

LEGO

ROBOTICS

All youth 2nd—6th grades are invited and encouraged to join in the fun and learning. We will get together to build and learn using our LEGO WeDo Kits! If you love building and creating, this is a great opportunity for you! Activities are guided and supported by adult volunteers and allow youth the chance to explore and create in a safe and supported environment. Limited to first 16 youth registered. *Pre-registration is required.*

**OGEMA LIBRARY AUDITORIUM
6:30-8:00PM**

MONDAYS:

January 23

February 27

March 27

April 24

Fillable form can be found on our website at:

<http://price.uwex.edu>
